The Honourable Daniel Allain
Minister of Local Government and
Local Governance Reform

Dear Mr. Allain

The ALSDNB and the Northwest LSD Working Team are pleased to submit their findings and recommendation regarding a future governance model for LSDs in Zone 1. Please find attached the document entitled, & quote; Blueprint for Governance of the Regional Cooperative Community Northwest (Zone 1)

We believe that this Blueprint reflects the desire of LSD residents for a governance model that meets their needs.

Members of the Northwest LSD Working Team and the Board of Directors of the (ALSDNB) look forward to meeting with you for further discussion on this important reform.

Thank you for considering the results of this collaborative effort by the Northwest LSD Working Team and the volunteer residents in their pursuit of an appropriate democratic governance model for their LSDs.

Yours sincerely
(Signed copy on file)
